

What's HOT 2008

Music **The hip parade** These new singers dress just as cool as they sound

ADELE

Ditties about London + Mark Ronson production X Tipped by Edith Bowman = Lily Allen-sized success

Her look: heavy eyeshadow and tea dresses.
Her sound: Billie Holiday-style blues reminiscent of Ms Winehouse.
Catch: debut album *19* (Pacemaker), out early 2008.

REMI NICOLE

Britpop + Berets X A big dollop of attitude = A refreshingly cool singer/songwriter

Her look: sports-luxe meets Kate Moss Topshop - waistcoats, skinny jeans, white Nikes.
Her sound: teen gripes set to high-energy indie pop.
Catch: her debut album *My Conscience & I* (Island).

FEIST

iPod advert + Backing from Chris Martin X Serious muso credibility = Sure-fire chart-topper

Her look: Patti Smith fringe, black opaque tights, Sixties shifts and knee-high socks.
Her sound: gentle folk and jazz tunes.
Catch: new album *The Reminder* (Polydor).

CANDIE PAYNE

Saint Etienne-ish vocals + More Mark Ronson production X Scouse sass = The antidote to cold winter evenings

Her look: tousled locks, bold eyebrows, red lipstick.
Her sound: melancholy pop-muzak.
Catch: new album *I Wish I Could Have Loved You More* (Deltasonic).

Celeb blog The new Perez

Forget Perez Hilton - here comes Lainey, right. Full name Elaine Lui, the Canadian TV reporter's daily, spiky musings on celebrity news are devoured by millions of fans worldwide. For every star she loves (Gwyneth Paltrow), there's another she just can't help poking fun at (like Posh). Sign up at laineygossip.com

Cool cast Class of 2008

Juno Temple This ex-Bedales girl (Lily Allen's alma mater) appeared in *Atonement* and has bagged a part in *The Other Boleyn Girl*, alongside Scarlett Johansson and Natalie Portman.

Lily Cole The smartie-pants-model-turned-actress has deferred her place at Cambridge for another year and signed up for Terry Gilliam's latest film project. We doubt she'll ever make it on to campus.
